Data Managers: Please read carefully before completing the registration form below.

On the registration form below, you will be asked if you – the AQO Conference attendee, not the surgeon you may work with – are an STS Surgeon or STS Associate Member. Please note that this question relates to STS Membership only.

STS Membership is not the same as STS National Database Participation. If you are an STS Member, you will need your 6-digit STS Member ID. This is not your site or Database participant ID.

With this in mind, please proceed to the AQO Conference registration form below, or [register for the AQO Conference online.](#)

We look forward to seeing you in Chicago!
