ATTENTION RESIDENTS

SCHOLARSHIPS AVAILABLE FOR RESIDENTS

STS is pleased to announce the availability of 10 residents' scholarships for the July session of the Thoracic Endografting Symposium in Chicago. Program directors are asked to send an e-mail recommending thoracic surgery residents who they feel would especially benefit from attending the Thoracic Endografting Symposium. In addition, scholarship applicants should submit an e-mail message about how they feel attendance at the Thoracic Endografting Symposium might help their career goals. Program directors' and residents' e-mail applications should be sent to residents@sts.org, and must be received by June 2, 2006. The ten scholarship recipients will receive free registration and up to \$1,000 in reimbursement for travel expenses.

An application will be considered complete when both the resident and the program director applications have been received. Preference will be given to STS Candidate Members. Complete applications must be received no later than June 2, 2006. Please send applications to: residents@sts.org.

If you have questions, please contact Lorie Smith at (312) 202-5825 (and/or) Nancy Puckett at (312) 202-5819.
