

Have questions after today's appointment?

Visit ctsurgerypatients.org

The Patient Guide to Heart, Lung, and Esophageal Surgery

A Website Presented by Cardiothoracic Surgeons Committed to Improving Patient Care

Learn more about causes, symptoms, diagnoses, treatment options, and recovery for your or your family member's condition through text, pictures, and videos.

Available in both English and Spanish, this website is easily viewable on computers, tablets, and smartphones.

Download PDFs of disease-specific questions to ask at your next appointment!
