### Tricuspid Valve Procedure

**Tricuspid Stenosis:** □ Yes □ No

**Tricuspid Disease Etiology:**
- □ Functional/secondary
- □ Endocarditis
- □ Rheumatic
- □ Carcinoid
- □ Congenital
- □ Mixed etiology
- □ Degenerative
- □ Tumor
- □ Trauma
- □ Reoperation – failure of previous TV repair/replacement
- □ Pacing wire/catheter induced dysfunction

**Tricuspid Insufficiency:**
- □ None
- □ Trace/Trivial
- □ Mild
- □ Moderate
- □ Severe

**Procedure Performed**

**Repair (If Repair↓)**
- □ Annuloplasty
- □ Pericardium
- □ Suture
- □ Prosthetic Ring
- □ Prosthetic Band
- □ Other

**Replacement (If Replacement↓)**
- □ Leaflet resection
- □ Valvectomy
- □ Implant (If Yes→)
  - Implant type:
    - □ Mechanical valve
    - □ Bioprosthetic valve
    - □ Annuloplasty
    - □ Homograft
    - □ Transcatheter device
    - □ Other

**Aortic Assessment (epiaortic ultrasound or echo):**
- □ Concentric Calcification
- □ Normal Aorta
- □ Extensive Intimal Thickening
- □ Protruding Atheroma < 5mm
- □ Protruding Atheroma ≥ 5mm
- □ Mobile Plaques

**Did Aortic Assessment Alter Operative Plan?** □ Yes □ No

### Pulmonic Valve Procedure

**Pulmonic Stenosis:** □ Yes □ No (If Yes→) Highest mean gradient: ______ mmHg

**Pulmonic Disease Etiology:**
- □ Acquired
- □ Congenital, history of Tetralogy of Fallot (TOF) repair
- □ Congenital, no prior Tetralogy of Fallot (TOF) repair
- □ Reoperation - failure of previous PV repair or replacement
- □ Mixed Etiology

**Procedure Performed**

**Repair/Leaflet Reconstruction**

**Replacement (If Replacement→)**
- □ Surgical
- □ Transcatheter
- □ Valvectomy

**Implant (If Yes→)**
- □ Surgeon Fashioned (If Yes→)
- □ Material PTFE (Gore-Tex)
- □ Pericardium
- □ Other

**Bioprosthetic valve**
- □ Mechanical
- □ Transcatheter device
- □ Homograft
- □ Annuloplasty Device
- □ Other

**Aortic Assessment (epiaortic ultrasound or echo):**
- □ Concentric Calcification
- □ Normal Aorta
- □ Extensive Intimal Thickening
- □ Protruding Atheroma < 5mm
- □ Protruding Atheroma ≥ 5mm
- □ Mobile Plaques

**Did Aortic Assessment Alter Operative Plan?** □ Yes □ No
