Annals Editor Application Questions

NOTE: Please insert your answers to the below questions into the online application form. Do not submit your answers as an attachment. This document is to help you formulate your answers in advance of your online submission.

Please keep your responses to ≤200 words.

1. Describe your experiences with The Annals as an author, reviewer, and/or Editorial Board Member. Based on your experiences, what should the new Editor address immediately and in the longer term?

2. Please list two or three features or opportunities for The Annals of Thoracic Surgery that you would add, enhance, or modify as Editor.

3. What challenges do you expect for surgical journals over the next 3-5 years? How would you address these challenges and help ensure that STS continues to publish the highest quality surgical information?

4. Please describe how you plan to allocate the time required (~30 hours/week) for this position. Would it entail modifying your clinical and/or administrative responsibilities?
