

Society of Thoracic Surgeons

General Thoracic Surgery Database Monthly Webinar

November 11, 2020

STS National Database™
Trusted. Transformed. Real-Time.

Agenda

- Welcome and Introductions
- STS Updates
- IQVIA Update
- User Feedback
 - Include Ticket Number/Case Number

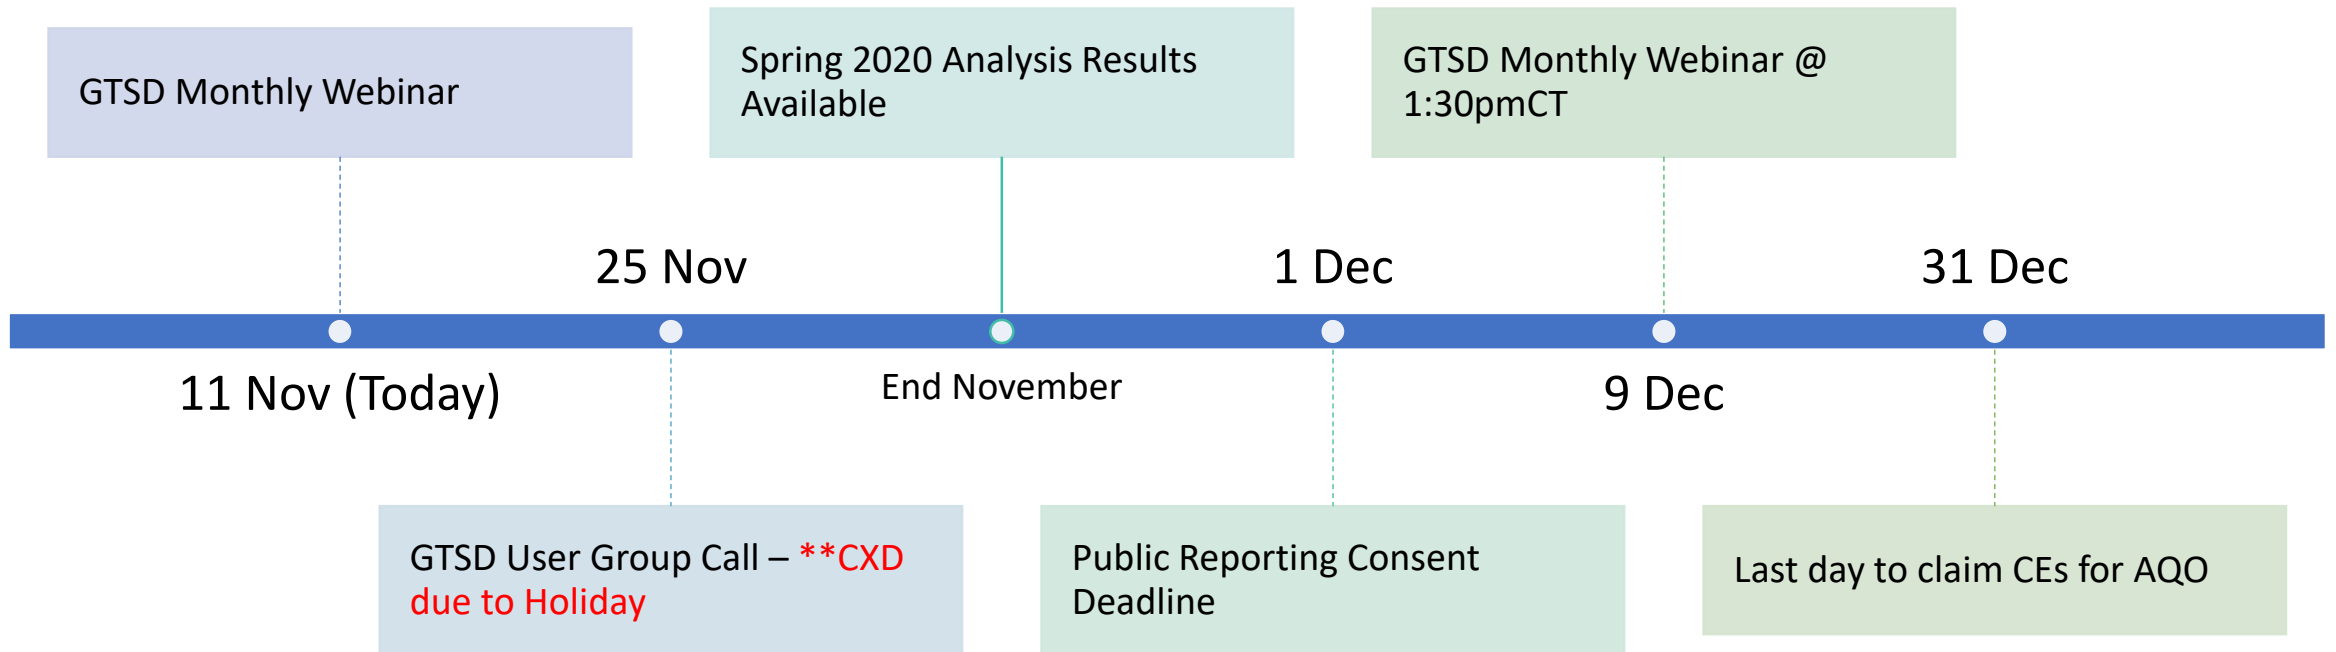

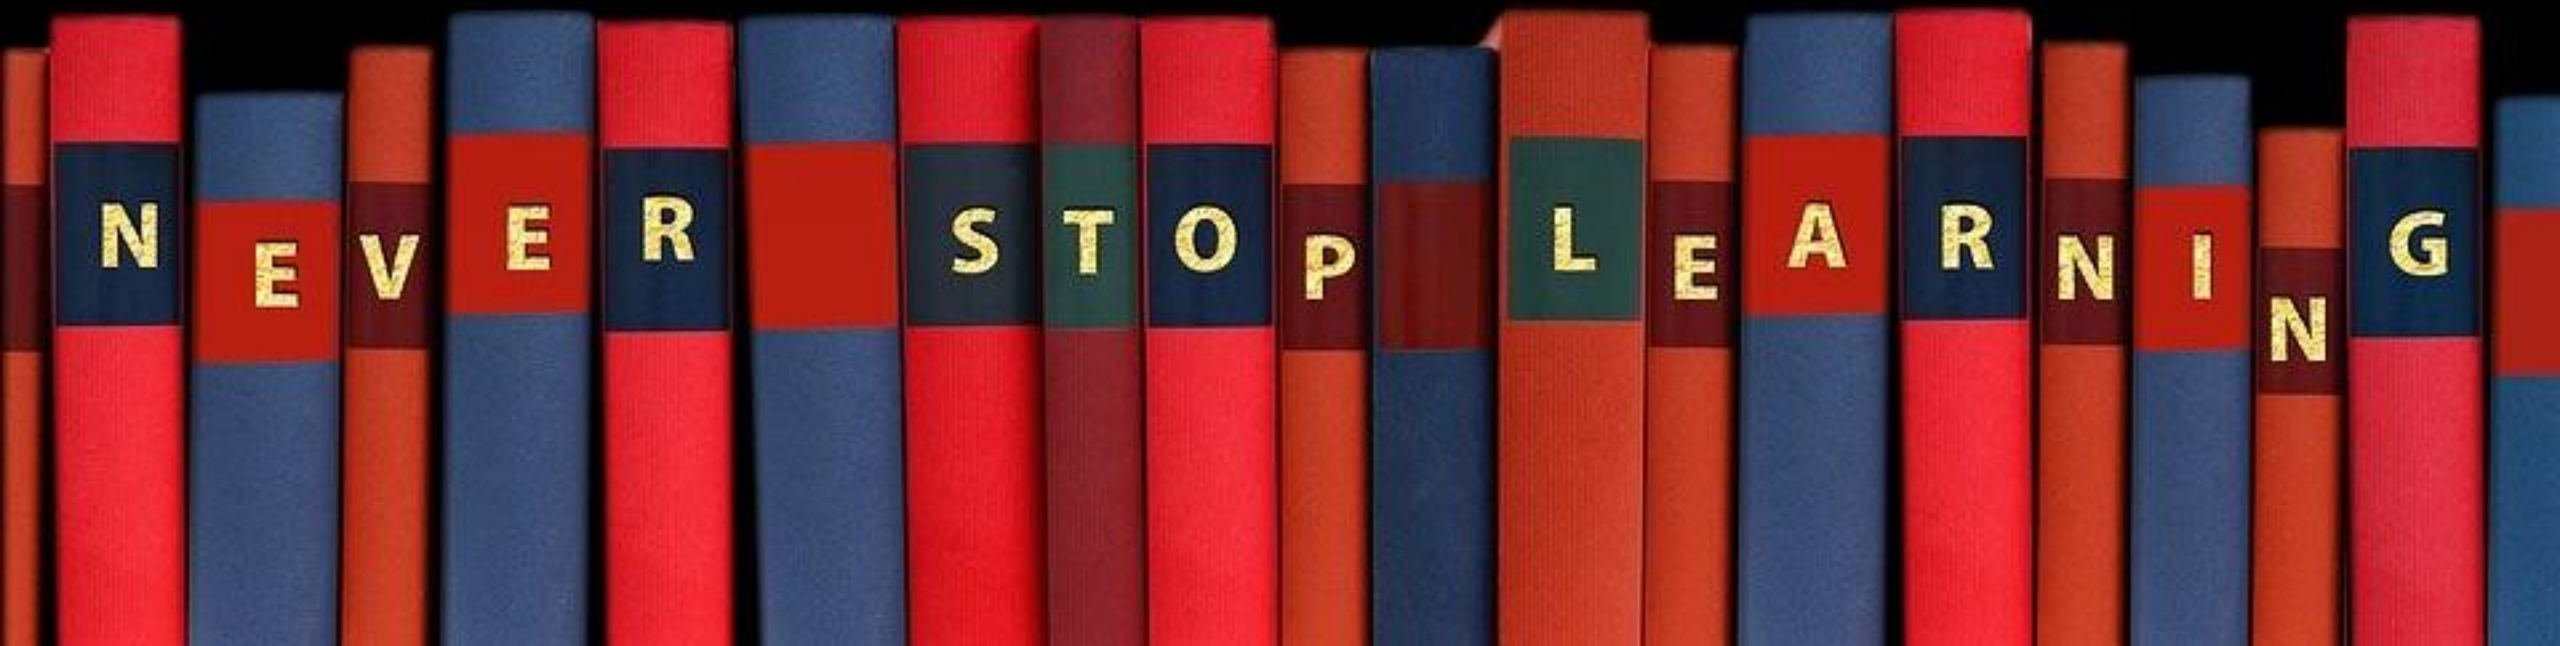

STS Updates

- **Public Reporting**
 - Next public reporting consent deadline is December 1
 - Lobectomy for lung cancer and esophagectomy composite measures are included
 - If you have already consented for PR, you do not need to send in a new consent every year.
 - STS will send notification to sites in the coming weeks
 - Contact Sydney Clinton with questions – SClinton@sts.org
- **Harvest Updates**
 - Spring 2020 analysis results being uploaded to the IQVIA dashboards (mid to late November)
 - Fall 2020 Harvest in analysis at DCRI
 - Now accepting data for the Spring 2021 Harvest
 - Data up through 12/31/2020 will be accepted
 - 2021 Harvest Schedules are being finalized
- **AQO Wrap Up**
 - All AQO Sessions will be available for an entire year
 - CE Credit must be claimed by December 31, 2020
 - Access to AQO will be available for purchase in late November via the STS Learning Center
