**EXHIBITOR'S COVID-19 SAFETY ACKNOWLEDGEMENT
ASSUMPTION OF THE RISK, LIABILITY WAIVER AND RELEASE OF CLAIMS
EXHIBIT B**

The novel coronavirus, COVID-19, has been declared a worldwide pandemic by the World Health Organization. COVID-19 is extremely contagious and is believed to spread mainly from person-to-person contact. As a result, federal, state, and local governments and federal and state health agencies recommend “social distancing” and have, in many locations, prohibited the congregation of groups of people. Governmental restrictions may change at any time without prior notice. As such, the SOCIETY of THORACIC SURGEONS (“ASSOCIATION” or “STS”) cannot guarantee eligibility to travel or to participate in the 2022 STS Structural Heart Symposium (“the Event”) if restrictions change. You (“Exhibitor”) must agree to the terms of this document to register and attend as an exhibitor at the Event.

COVID-19 SAFETY INFORMATION:

STS and the facility at which the Event is taking place, the Fairmont Chicago Millennium Park, may each implement preventative measures (the “Measures”) to reduce the spread of COVID-19 consistent with the guidance and recommendations of public health agencies for slowing the transmission and exposure to COVID-19. The specific Measures required will be established based on conditions present closer to the date of the Event and notice of the Measures will be provided through signage and other communications. The Measures may include, but are not limited to, mandatory wearing of face coverings at all times, health questionnaires including vaccination checks, temperature checks, sanitation procedures, and physical distancing measures. By registering, Exhibitor agrees that it and all its personnel attending the Event will comply with the Measures unconditionally, and that failure to comply may be enforced by barring non-compliant individuals from the Event. While Measures will be put in place in an attempt to reduce the spread of COVID-19 at the Event, STS cannot guarantee that its exhibitors, participants, volunteers, partners, or others in attendance will not become infected with COVID-19.

In light of the ongoing spread of COVID-19, individuals who fall within any of the categories below should not engage in STS activities at the Event and/or other face to face activities during the Event. By attending the Event, Exhibitor agrees that no Exhibitor personnel will attend the Event who fall into any of the following categories:

1. Individuals who currently or within the past ten (10) days have experienced any symptoms associated with COVID-19, which include, but are not limited to, fever, cough, and shortness of breath; or
2. Individuals who believe that they may have been exposed to a confirmed or suspected case of COVID-19 or have been diagnosed with COVID-19 and are not yet cleared as non-contagious by state or local public health authorities or the health care team responsible for their treatment.

DUTY TO SELF-MONITOR:

Exhibitor agrees to require all its personnel attending the Event to self-monitor for signs and symptoms of COVID-19 (symptoms typically include fever, cough, and shortness of breath, among other things) to notify STS representatives at the Event immediately if they experience symptoms of COVID-19 while attending, and to notify STS Exhibit Manager at mreichstein@sts.org as soon as possible for contact tracing purposes if they first experience symptoms of COVID-19 within 5 days after attending the Event.

RELEASE AND WAIVER. EXHIBITOR AND ITS PERSONNEL ATTENDING THE EVENT WILLINGLY ENGAGE IN THE EVENT. EXHIBITOR, FOR ITSELF AND ALL OF ITS PERSONNEL ATTENDING THE EVENT, HEREBY RELEASES, WAIVES, COVENANTS NOT TO SUE, HOLDS HARMLESS AND FOREVER DISCHARGES THE SOCIETY OF THORACIC SURGEONS AND ITS CONTRACTORS ASSISTING WITH PRESENTATION OF THE EVENT, INCLUDING IN EACH CASE, WITHOUT LIMITATION, ITS AND THEIR RESPECTIVE DIRECTORS, OFFICERS, EMPLOYEES, VOLUNTEERS, REPRESENTATIVES AND AGENTS (THE

“RELEASED PARTIES”), OF AND FROM ANY AND ALL LIABILITY, CLAIMS, AND DEMANDS OF WHATEVER KIND OR NATURE, EITHER IN LAW OR IN EQUITY, TO THE FULLEST EXTENT PERMISSIBLE BY LAW WHICH MAY RESULT FROM THE ACTS OR OMISSIONS OF ANY OF THE RELEASED PARTIES IN CONNECTION WITH THE EVENT. THIS RELEASE INCLUDES BUT IS NOT LIMITED TO DAMAGES OR LOSSES CAUSED BY THE NEGLIGENCE, FAULT OR CONDUCT OF ANY KIND ON THE PART OF THE RELEASED PARTIES. SUCH DAMAGES OR LOSSES INCLUDE BUT ARE NOT LIMITED TO DEATH, BODILY INJURY, ILLNESS, ECONOMIC LOSS, OUT OF POCKET EXPENSES, OR LOSS OR DAMAGE TO PROPERTY, WHICH EXHIBITOR, ITS SUCCESSORS AND PERMITTED ASSIGNS, AND ITS PERSONNEL ATTENDING THE EVENT, THEIR HEIRS, ASSIGNEES, NEXT OF KIN AND/OR LEGALLY APPOINTED OR DESIGNATED REPRESENTATIVES, MAY HAVE OR WHICH MAY HEREINAFTER ACCRUE ON THEIR BEHALF, WHICH ARISE OR MAY HEREAFTER ARISE FROM ATTENDANCE AT THE EVENT.

ASSUMPTION OF THE RISK. Exhibitor, on behalf of itself and its personnel attending the Event, acknowledges and understands the following:

1. Participation in the Event includes possible exposure to and illness from infectious diseases including but not limited to COVID-19. While particular rules and personal discipline may reduce this risk, the risk of serious illness and death does exist;
2. Exhibitor and its personnel attending the Event knowingly and freely assume all such risks related to illness and infectious diseases, such as COVID-19, as a result of attendance at the Event, including associated risk of injury, harm and loss, even if arising from the negligence or fault of the Released Parties.

Exhibitor is responsible for instructing its personnel that their attendance at the Event involves the foregoing assumption of risk and will not permit any of its personnel to attend the Event who do not agree to said assumption of risk.

MEDICAL ACKNOWLEDGMENT AND RELEASE. Exhibitor, on behalf of itself and its personnel attending the Event, acknowledges the health risks associated with the Event, including but not limited to exposure to and contraction of COVID-19, and agrees that any of its personnel attending the Event who experience any symptoms associated with COVID-19 during the Event, including but not limited to fever, cough, and shortness of breath, will discontinue participation at the Event immediately and seek appropriate medical attention. EXHIBITOR, ON BEHALF OF ITSELF AND ITS PERSONNEL ATTENDING THE EVENT, HEREBY RELEASES AND FOREVER DISCHARGES THE RELEASED PARTIES FROM ANY CLAIM WHATSOEVER WHICH ARISES OR MAY HEREAFTER ARISE ON ACCOUNT OF ANY FIRST AID, TREATMENT, OR SERVICE RENDERED IN CONNECTION WITH PARTICIPATION IN THE EVENT.

EXHIBITOR ACKNOWLEDGES AND REPRESENTS THAT it has read the foregoing *COVID-19 Safety Acknowledgement – Assumption of the Risk, Liability Waiver and Release of Claims*, understands it and agrees that it and its personnel attending the Event shall be bound thereby. Exhibitor also acknowledges that Exhibitor’s personnel attending the Event may each be required to sign a copy of this document as a condition of their attendance.

STS Policy Regarding Industry Symposia

Held Concurrently with STS Standalone Educational Activities

Overview

The Society of Thoracic Surgeons (STS) recognizes the importance of working collaboratively with industry to meet the needs of the Society's membership. In an effort to provide more opportunities for STS meeting attendees to benefit from their relationships with industry, the Society has established this STS Policy Regarding Industry Symposia to allow educational and other programs offered by industry—and not developed or sponsored by STS—to be held in conjunction with STS meetings. These programs include educational activities, receptions, meal functions, investigator meetings, and focus groups. This policy document has been developed to facilitate overall meeting planning and for the benefit of STS members. Industry activities that take place concurrently with STS standalone educational programs and within 48 hours before or after it and are targeted at STS meeting attendees may not take place without STS written consent requested through submission of the attached Application, including payment of the applicable fee, and must adhere to this policy document.

General Rules

1. Activities designed by or on behalf of industry for attendance by STS standalone educational program attendees are considered industry symposia. There can be no implication in any promotional materials, handouts, or enduring materials that they are planned, sponsored, or endorsed by STS absent special arrangements with, and prior written approval of, STS.
2. Industry symposia developed by industry must be offered during times allotted by STS (see Application on pages 13-16). STS has sole discretion to schedule all activities at its meetings.
3. Companies applying to offer industry symposia must be Exhibitors or Educational Grant Supporters for the STS standalone educational activity unless an explicit exception is granted in writing by STS. Exhibit space is to be paid in full before any industry symposium will be approved.
4. Promotional materials for industry symposia must receive prior approval from STS (see "Promotion" below).
5. STS does not provide Continuing Medical Education credit for industry symposia. Any industry symposium that offers CME must comply with ACCME requirements. All industry symposia must be in compliance with the AMA's Ethical Opinion on Gifts to Physicians from Industry.
6. **Once STS approves the industry symposium, the provider, commercial supporter(s), activity title, content, date, and time as approved by STS for the activity may not change without the Society's written approval.**
7. Organizers of an industry symposium are solely responsible for making all appropriate financial arrangements for their activity (see "Logistics" below).
8. **Representatives from STS may attend the industry symposium without cost to audit compliance with this policy.**
9. STS is not responsible for multiple companies offering programs at the same time and/or addressing the same topic.
10. STS encourages organizations hosting industry symposia to evaluate their offered program and requests that the results of such evaluations be shared with the Society.

Logistics

1. Industry symposia will be scheduled by STS.
2. Organizations hosting industry symposia may use the full time allotted or a reduced amount of time, **but may not exceed the scheduled time without the Society's written approval.**

3. Space for industry symposia will be provided on a first-come, first-served basis and will only be assigned after the proposal is accepted by STS.
4. Sessions must be contained within the room assigned.
5. Audiovisual requirements are the responsibility of the industry symposium host.
6. Food functions must occur within the assigned activity schedule.
7. **All expenses associated with the activity, including room rental (if applicable), setup, cleanup, food and beverage, A/V, electrical, telephone, shipping, etc., are the sole responsibility of the industry symposium host.**

Promotion

1. **All promotional materials must be submitted to Samantha McCarthy at smccarthy@sts.org for STS approval. STS must review and approve all promotional materials produced in conjunction with an industry symposium (e.g., invitations, announcements, signs, flyers, website information) prior to their dissemination. STS has the right to reject such promotional materials at its sole discretion.**
2. A minimum of **5 business days** are required for STS review of promotional materials.
3. Promotional materials should not be pre-printed prior to approval. It is not the responsibility of STS to cover any costs associated with materials that have been pre-printed and are not approved.
4. Exhibit booth representatives may distribute invitations and other promotional material for the activity at their booth.
5. The STS name, logo, and other intellectual property may not be used on any industry symposium announcement, including email, sign, publication, or other material, without the prior written approval of STS.
6. All invitations, promotional materials, and other materials related to the activity, print or electronic, must include the following statement: ***"This industry symposium will be held in conjunction with an STS standalone educational activity. It is not part of the official STS scientific program."***
7. Industry symposia consisting in whole or in part of educational sessions require the following statement to be clearly and prominently displayed on the syllabus and on all promotional and other related materials, print or electronic: ***"Continuing Medical Education (CME) credit for this activity is not offered by STS."***

Benefits

1. This industry symposium option offers a limited opportunity to provide a customized activity marketed to surgeons and allied health care professionals who are in attendance at the STS meeting.
2. An invitation, created by an approved provider of the industry symposium, will be included in an email sent by STS to standalone activity registrants (subject to "Promotion" above).
3. All industry symposium providers may also purchase [STS mailing list licenses and email blast communications](#).
4. All industry symposium providers have the opportunity to post a sign advertising the activity in a designated sign area, as well as outside the room in which the activity takes place.
5. While STS will undertake reasonable efforts to help avoid scheduling conflicts that might bear on attendance at approved industry symposia, it cannot guarantee nor be responsible for attendance at such activities consistent with the provider's expectations.

Violations and Sanctions

STS, at its sole discretion, reserves the right to revoke privileges for future programs of any sponsoring organization, supporting organization, or activity organizer involved in planning an industry symposium that does not comply with the rules and requirements set forth in this policy document.

Application Process

Please be thorough and detailed when completing the attached Application. Once a completed application is submitted, the proposal will be referred to relevant staff for review. The requesting organization will be contacted in writing regarding the outcome of the application.

Information on approved industry symposia will be forwarded to the hotel. The hotel staff will confirm meeting space assignments with the primary contact noted on the application and will convey this information to STS. After notification of meeting room assignment, the sponsor of the industry symposium will work directly with the hotel to manage all meeting needs.

In the event that final approval is not granted, STS will not be responsible for canceling any arrangements that may have been made by the applicant in connection with the proposed activity. In addition, STS will not be responsible for any costs incurred for the proposed activity.
